Cuisine	Our signature High Five Ramen features a traditional tonkotsu-style, rich and creamy broth combined with miso, sesame, numbing pepper, nori and dried Japanese chilies. Guests can test their tolerance for heat with the Kanabo Spice, enjoy a lighter option with the Shoyu Ramen, sample the seafood-based Special Ramen or try our new Shio Ramen prepared with chicken-based broth.
Beverage	A selection of Japanese beer, sake, whiskey and sweet cocktail slushies.
Design	A cozy underground ramen lair with concrete walls, a long cedar bar and industrial light fixtures.
Capacity	16 seats
Music	Murky post-punk, grimy hip-hop and other menacing genres only serve to enhance an already ominous, dingy basement setting. Thick bass frequencies and punchy rhythms suit the dynamic of the space and menu to a 'T.'
