

# HIGH FIVE RAMEN®

It's all about the bones. The bones are cooked for 18 hours, producing a traditionally rich and creamy Tonkotsu-style broth, combined with miso, sesame, face-numbing pepper, nori and dried Japanese chilis.

This Ramen is personal. The High Five bowl represents thousands of trials, years of exploration, heated debates, and a very deliberate decision to offer the one item that changed our lives. The spice in this bowl may hurt you and we realize it's not for everyone. We hope you'll be strong. Suffer through and find the sensory joy in this experience as we did.

## HIGH FIVE SIGNATURE BOWLS, \$14

Rich, creamy tonkotsu miso broth served with sliced pork belly, alkaline noodles, seasoned egg, black garlic oil, locally grown bean sprouts, and fresh scallions.

### FULL SPICE

There may be pain, sweating, discomfort & deep regret, followed by pure euphoria.

### HALF SPICE

Spicy but not scorching. Ideal for heat seekers with a lower risk tolerance.

### NO SPICE

A wise choice for beginners, all of the same bold flavors without the burn.
